

2009 Volunteer Form

As one of the largest Community Celebrations on the peninsula, volunteer workers are an important part in helping to make the San Mateo County Fair a success. By volunteering, you are turning your talents and skills into positive actions for your community! Volunteer Opportunities at the Peninsula’s Festival include:

- Guest Services Volunteers- Help continue to make the Fair safe, convenient and comfortable, so guests can focus on what’s important—having fun! Guest services volunteers perform a variety of essential tasks, from greeting guests and distributing schedules to working at the Fair Store.
- Competitive Exhibits Volunteers- The Fair’s Competitive Exhibits Department is thriving, and volunteers are greatly needed for this growing program. Competitive Exhibits Volunteer Positions include:
 - Entry Receiving & Pick- Up Assistants: Approximately 10,000 exhibits are received by the Fair over a busy two-day period. Assistants are needed to help exhibitors check in, as well as aid Department Coordinators in building set-up.
 - Fair- Time Exhibits Volunteers- Help provide important staffing as an *Exhibits Host/Hostess* to help monitor exhibits and direct building traffic, or lend a hand and assist with the *Special Contests* or *Awards Ceremonies*.

Please return completed form. You will be contacted to select a volunteer position and shift time(s).
