RFP REQUIREMENTS AND CONDITIONS**

**SUBMISSION OF RFP:**

To be eligible for consideration, and award of agreement, the proposal must be in the Association's administration office no later than 5:00 p.m. Friday, October 1, 2021.

**ERRORS**

It is in the proposer's best interest to submit a complete and accurate proposal. Where documentation or response is incomplete or silent, it will be assumed that the proposal is deficient. Further, it is in the proposer's best interest to write a proposal that meets the stated requirements contained in this RFP. While applicants may provide alternatives to the requirements for consideration, failure to comply with all minimum requirements described within the RFP may disqualify proposals. The Association reserves the right to waive any RFP requirements if it deems it to be in the best interest of the Association.

Any ambiguity, conflict, discrepancy, omission, or other error in this RFP, or doubts as to meaning, shall be brought to the Association's attention no later than September 20, 2021. Otherwise, any discrepancies, omissions, ambiguities or conflicts later brought to Association's attention will be interpreted in the best interest of the Association.

All interpretations and clarifications will be in the form of written addendum to the RFP. All bidders are responsible for inquiring as to addendum issued and providing an email address to receive any written addendum to the RFP. All addendum become part of the agreement documents.

**ADDENDA**

If necessary, the Association will modify the RFP prior to the date set for submission of final proposals, by issuance of an addendum to all parties who have been furnished notice of the RFP for bidding purposes. All proposers should inquire from the contact person listed on the cover sheet whether any addenda have been issued prior to submitting a proposal in response to the RFP. Addendum will be numbered. The first number of an addendum will be A-1.

**DEFINITIONS**

The Association has established certain requirements with respect to the proposals to be submitted by prospective Proposers. The use of "shall", "must" or "will" indicates a mandatory requirement or condition in this RFP. Failure to include such mandatory requirements or condition may result in the disqualification of a proposal.

The words "should" or "may" indicate a desirable attribute or condition, but are permissive in nature and may affect the score the proposal receives.

## **GROUNDINGS FOR REJECTION OF THE PROPOSAL**

A proposal shall be rejected if:

It is received at any time after the exact time and date set for receipt of proposals.

It is not prepared in accordance with the required format or information is not submitted in the format required by this RFP.

The firm has submitted multiple bids in response to this RFP without formally withdrawing other bids.

A Proposal may be rejected if:

It contains false or misleading statements or references which do not support attributes or conditions contended by the proposer. (The proposal **shall** be rejected if, in the opinion of the Association, such information was intended to mislead the Association in its evaluation of the proposal and the attribute, condition or capability of requirement of this RFP.)

It is unsigned.

## **OTHER INFORMATION**

### **DISPOSITION OF PROPOSALS**

All materials submitted in response to this RFP will become the property of the Association. All proposals, evaluations and scoring sheets shall be available for public inspection at the conclusion of the committee scoring process and announcement of intent to award. If an individual requests copies of these documents, the Association will assess a fee to cover duplicating costs. Documents may be returned only at the Associations option and at the proposer's expense. One copy of each proposer's proposal shall be retained for official Association files.

### **CONFIDENTIALITY OF PROPOSALS**

The California Public Records Act, Government Code Section 6250, provides that access to information concerning the conduct of the people's business is a fundamental and necessary right of every person in the state. Public records are defined as any writing relating to the conduct of the public's business and are open to inspection during normal business hours. There are specific exceptions to the Public Record Act. In the event the Association receives a request for inspection of any proposal submitted pursuant to this RFP, it is the responsibility of the organization whose proposal has been requested to assert any right to confidentiality that may exist. The Association will not make that assertion on behalf of the proposer. Without a judicial determination that the documents are exempt from disclosure, they will be subject to inspection. Due to the potential proprietary information to be provided, proposals will not be considered public record until after a decision has been made by the Board of Directors.

Submission of a proposal constitutes a complete waiver of any claims whatsoever against the San Mateo County Event Center, and/or its agents, officers or employees, that the Association has violated a proposer's right to privacy, disclosed trade secrets or caused any damage by allowing the proposal to be inspected.

## **MODIFICATION OR WITHDRAWAL OF PROPOSALS**

Any proposal which is received by the Association before the time and date set for receipt of proposals may be withdrawn or modified by written request of the proposer. However, in order to be considered, the modified proposals must be received by the time and date set for receipt of proposals

A Proposer cannot withdraw or modify a proposal after the due date and time for receipt of proposals and, further, a bid cannot be "timed" to expire on a specific date. For example, a statement similar to "This proposal and the cost estimate are valid for sixty (60) days" is non-responsive to the RFP.

The Association is not liable for any costs of preparation or presentation of proposals

## **RIGHT TO REJECT ANY OR ALL PROPOSALS**

This RFP does not commit the Association to award a contract, to pay costs incurred in the preparation of a proposal responding to this request, or to procure a contract for service.

The Association reserves the right to accept or reject any or all proposals received as a result of this request, **to negotiate with qualified applicants the restructuring of the proposal, or to cancel in part or in its entirety the RFP process if the Association deems it is in its best interest to do so.**

This RFP will not be construed to be a low bid process. The contract, if awarded, will be negotiated with the proposer who can best meet the Associations needs as identified in this RFP.

## **SUBCONTRACTING:**

No agreement shall be executed with any subcontractor to perform any services set forth in this agreement, unless first receiving Association's written approval. No approval under this section shall constitute a continuing approval for subcontracting the same or any other services unless the approval specifically states that it is a continuing approval.
